#### VOLUME 3. Sixth Annual Fair of the Perry Co.,

SOMERSET, OHIO: FRIDAY, JULY 9, 1875.

NUMBER 13.

## To be held in Somertet, O., September 29, 30 and October 1, 1875.

### Terms of Admission. All tickets will admit one person above the age of ten years, and will be 2d best " sold at 25 cents, each. Children under

cents, saddle horses ten-cents. Rules and Regulations. All entries must be made by 12 M. of the second day, and all stock and articles entered must be on the ground by the hour aforesaid. This rule will be

rigidly enforced. 2. Fifteen per cent. on the premiums competed for must be paid on all articles entered for exhibition 3. All classes are confined to the county unless otherwise named.
4. All aged or matured animals that

eived the first premiums at the last Fair cannot again compete for premiums in the same class until two years thereafter, but can compete for sweepstakes. 5. No horse shall be shown in more than one class, except in sweepstakes, and as one of pair. 6. The awarding committees will not

attach premium cards to articles not 7. When animals or articles are not deemed worthy of a premium the judges will refuse an award. 8. No animal or article to be entered in the name of any other than the bona fide owner. Any entries otherwise made

will not receive a premium though awarded by the judges. 9. Committees are directed not to award premiums to unsouned animals unless they are fully satisfied the un-soundness is the result of accident. 10. Hay and straw will be furnished free of expense to all stock entered and exhibited, corn and oats will be sold at sonable rates on the grounds to all

For all horses entered and not exhibited there will be a charge for feed of 2d be one dollar per day. This section of rule 10 will be rididly enforced. 

allowed on the grounds, and driving or riding faster than a walk, and hitching horses inside the ring is prohibited.

13. When any Director doubts as to whether the exhibitor is the real owner. of the property or animal offered for exhibition, the party shall not exhibit without first filing the affidavit with the

A little old man, smoking a pipe and wearing an excited look, rushed into the Detroit City Hall and found his way into the rooms of the Chief of Police. standing by that official, the little old man swelled out and exclaimed:

"You tings I bay dat license?" shouted the smoker, "You tings I have ne hundred tifty dollar tax license? "That's the new law." "You tings I was a fool so high o pig around, und zo long?" continued

the the man measuring the air "I guess you'll have to pay." "We shall zee about dat pooty quick!

fellers comes around und kick on the It is located on a high knoll of ground deeper and more enduring love was door nobody shall be dere. Ven a pig and is quite an imposing edifice. orn when she first began to feel the crowd comes up from Doledo on Zunday this building are kept President's blood loneliness of the house, and to find, in dey shall have no peer, no zigars, no ed stock, among which are several fine another lonely house, a being beneath Limpurger. I shall rent my zaloon mit brood mares and stallions. At one time whose admiring gaze she would blush, an insurance agent, und he shall sheat Ulysees had in this stable as high as fifand turn away the eyes that were as yet de beeples, und I shall get drunk in my ty head of fast stock, but it didn't pay, some strange chance her choice was drink wasser, and Daytroit shall go than twenty head on the entire homesanctioned by her father, and life to her down the hill, and somebody shall gone stead. A race track is also located a here from New York, und puy the short distance away, where the Presi whole blace for zwelf dollars, and move dent's superintendent each day exercises him up by Shiesgo-ha!"

And he shook his fist at the and rushed out .- [Detroit Free Press.

the pockets of his countrymen. We reremained uncompleted for twenty years.

A GREAT PROJECT. Reclaiming the Greatest of Sandy Deserts—Wonders of the Sahara— The Mediterranean to be Turned into the Besert.

lence of the London Times. A railway between Algeria and Senegal, via Timbuctoo, appears a startling project, yet such was the scheme suggested on Thursday, night in a lecture at the Salle des Conferences by M. Pan Soleillet, who maintained that valuable adont that route and thus restore to the Mediterranean the importance necessary Soleillet started on an expedition from He left his sent and hurriedly paced Algiers in December, 1872, his intention ter portion of the route had never before He took up a book and tried to read, been trod by Europeans.
